Price adjustment of Deicing and Anti-Icing Fluid as of January 01, 2024

Dear All,

thanks to reduced raw material prices, advantageous contractual arrangements with our fluid supplier and the very high storage capacity at Frankfurt Airport, we are glad to announce an adjustment to the prices for Deicing and Anti-Icing fluid from January 01, 2024:

- Deicing will be reduced by 0,02€/liter from 1.24€/liter to 1,22€/liter
- Anti-Icing will be reduced by 0,05€/liter from 2,12€/liter to 2,07€/liter

This is the second fluid price reduction this year. All other charges and fees remain unaffected.

Yours sincerely,

NICE Aircraft Services & Support GmbH
